

Requirements for Personal Laptops

- All students who bring a laptop from home to use at school must sign and return the Laptop Policy.
- All personal laptops must be equipped with the following:
 - Operating System – XP or Vista
 - Microsoft Suite (Word, Power Point, etc.)
 - Internet browser must be Explorer
 - Internet homepage should be set to The Bodine School's website

*All acceptable use policies apply to personal laptops.

*These system requirements are to ensure that students are able to perform the tasks given by teachers in a quick and efficient manner.
